

2002 XRV750 AFRICA TWIN PRESS INFORMATION

Exciting wilderness adventures are well within reach aboard Honda's towering 'Adventure Sports' trailblazer, the ever-popular Africa Twin. With a look designed to tackle the desolate wastes of far-off continents just as easily as it charges through urban traffic, the Africa Twin's big and powerful 742cc liquid-cooled V-twin engine delivers a satisfying surge of power and torque that drives it through towns and over steep mountains with equal ease. With impressive styling that calls to mind the rugged machines that annually challenge the world's most demanding international rallies, its supple, long-travel suspension lends a modern and sporty feel while its large, integrated fairing offers superb wind protection for comfortable rides across town or across continents.
